2018 CHS Prom Changes

Dear CHS Juniors and Seniors,

A few changes have been made to the 2018 prom requirements. If you have already completed and turned in a prom packet with money you do not have to complete a new one, but please take note at the changes that have been made. If you have not turned in your packet we ask that you please pick up a new one at your earliest convenience.

1. You must turn in your prom packet and money no later than April 23, 2018. Any packets/money turned in after this date will not be accepted.
2. Cash payments only. Checks will not be accepted.
3. Packets and money must be turned in at the same time. No packet will be accepted without payment.
4. If your guest does not have a driver's license or student ID a photocopy of your guest's picture and name in their school yearbook may be accepted.
5. You may begin arriving to prom at 7:30 p.m. No one will be allowed admittance before 7:30 p.m.

If you have any questions please contact Sherri Felder or Tina Byrnes at the numbers below. We are looking forward to a great prom this year!

Sincerely,

2018 CHS Prom Committee
