As the weather gets cooler, please remember to write your child's name in their jacket/coat. We have many jackets in the Lost and Found already this year, but they don't have names written on them. Please feel free to come to the school and look in the Lost and Found if your child has lost something.

This year we have adopted the Core Essentials Character Education Program. This program has a "word of the month." The word for January is commitment.

Students will be learning about commitment at school. Please also discuss with your child ways they can show commitment at home.

COMMITMENT: Making a plan and putting it into practice
